Region II, Central MA  
Climate Science Award:

Sonali Razdan

*"The Greenhouse Effect"*

### ABOUT ME:

Sonali Razdan is a sixth grade student at Sherwood Middle School, Shrewsbury, Massachusetts.

Her family members are Ramesh, her dad; Sunita, her mom; and Rahul, her brother. She has no pets, but she loves dogs. She plays basketball and tennis and loves the colors green and purple.

### MY PROJECT:

Her project was about the Greenhouse Effect and how it affects Earth. It showed a few examples of real effects of trapped gases and how they raise the temperature of earth.
